

Setting a Preferred IQ Home Page

Market: Federal/State/Local, House, Senate

Description: These instructions teach users how to set a page in IQ as their default landing page.

1. In IQ, the Home menu is the default landing page or home page for a user.
2. To change this default, navigate to a page within IQ that you want to set as your default home page.
3. Navigate to your user name and select **Set as Home Page**.

4. The next time you log into IQ, you will be redirected to the selected page as your home page.
