

Attaching a Service to an Event

Market: House, Senate

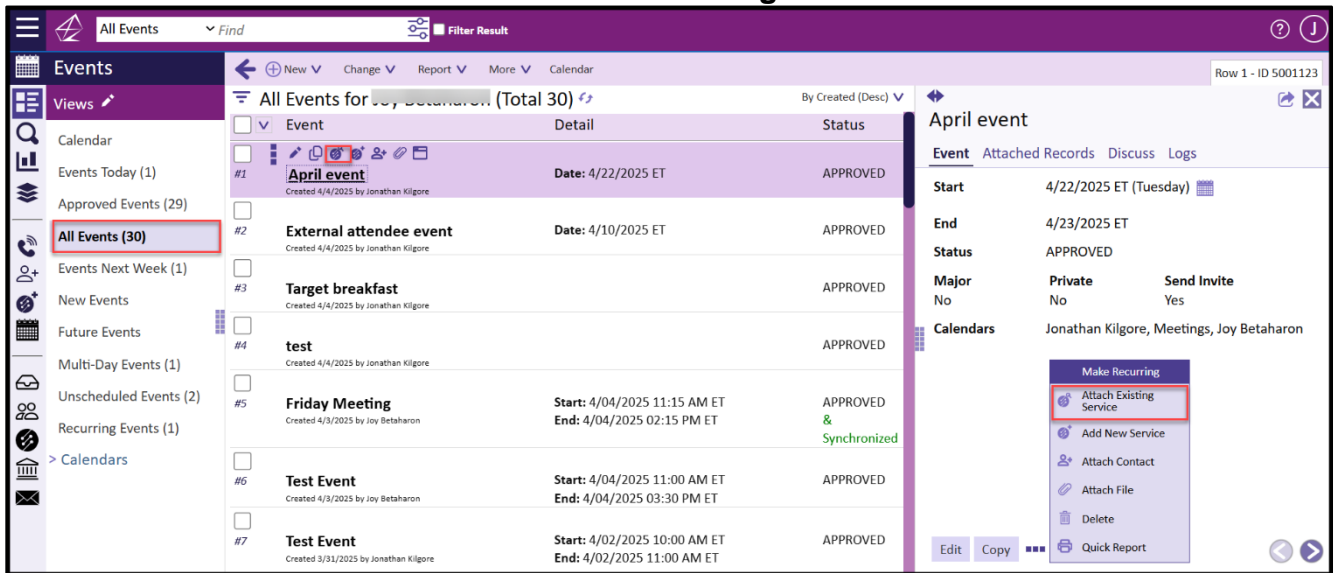

Description: These instructions teach users how to attach a new or existing service to an event.

Click the following link to be brought straight to the topic:

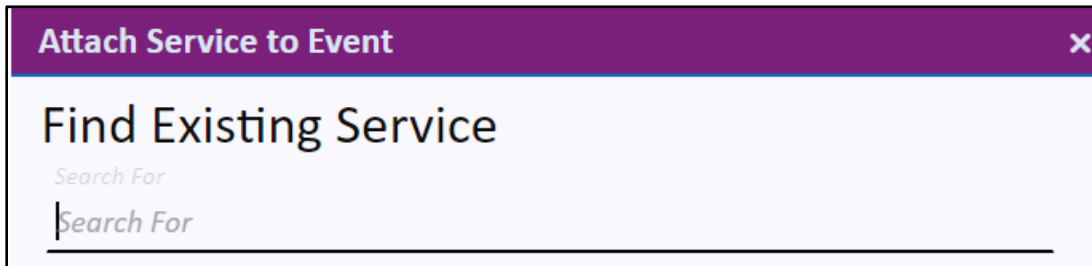

[Add a New Service](#)

Attach an Existing Service

1. Navigate to **Events** → **Views** → **All Events**
2. Select the event.
3. From the In Row Quick Actions select **Attach Existing Service**

4. In the Search for field, type the service record number or the primary contact's name.

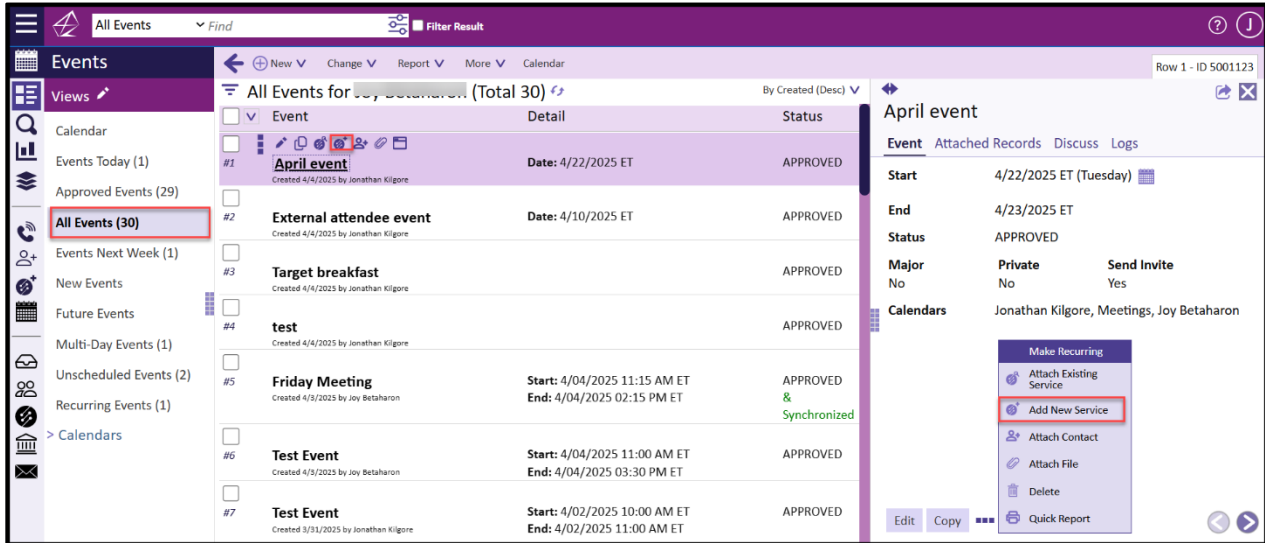

5. Click **Attach**.
