

Workshop: Redistricting in IQ5

► **Audience:**
All IQ Users

► **Method of Training:**
WebEx/remote

► **Market:** House

SUMMARY

This training focuses on assisting offices with identifying and taking action with constituents who will be part of a new district.

BY THE END OF THIS COURSE, YOU WILL BE ABLE TO

- Identify Constituents that will be part of a new district
- Create Spreadsheet of Constituents that will be part of a new district
- Tag those Constituents with Affiliation codes for easy Outreach
- Find those Constituents existing Services
- Export the Constituents Service information for next office's use
